DESCRIPTION:
Please try the following:

1. Make sure that you are currently registered for one or more CityU courses. You may wish to contact your advisor to confirm your registration in our system.
2. Try making these recommended changes to your browser settings.
3. If you have graduated from CityU but are still working on a thesis, please ask your advisor to register you for the “99” level course. This will allow you to use the library databases while you are finishing your thesis.
4. If these suggestions do not help, please Ask a Librarian or submit a ticket to our 24/7 Help Desk.
